

Day Camp Package

2024

GBCA Core Values:

At Georgian Bay Cheer Athletics we offer the opportunity to build **character** and **confidence**, both mentally and physically through the sport of cheerleading. Our goal is to make our athletes and their families our number one priority. GBCA will work tirelessly to make sure everyone feels welcome, supported and successful.

The sport of Cheerleading is both physically and mentally challenging in the most positive way possible. Not only does an athlete take on individual responsibilities, such as maintaining the physical and mental strength needed to complete the skills required, but the athlete is also responsible for learning discipline, time management, adaptation, and how to be a good teammate. In order to achieve these goals we will implement our core values: **respect, responsibility, communication, and integrity.**

GBCA Day Camp Programming:

Athletes who join us for day camp will learn the basics of cheerleading: jumps, stunting, tumbling, and choreography. GBCA will create a fun learning environment for all campers. Through individual and team-based activities campers will participate in the sport of cheerleading, enjoy being creative in the craft room and burn some energy during team games – all while meeting new friends! Athletes will be grouped together by age for skills and activities. The goal each day is for our campers to feel support and successful! Campers will be supervised by knowledgeable coaches/camp leaders who are certified to coach the sport of cheerleading.
